

LIMITED WARRANTY

Current Systems, Inc. warrants, to the original consumer purchaser of the Riverflow® Pump system, certain components to be free from defects in materials and workmanship under normal use according to the following terms and conditions.

For **five (5) years** from the date of installation ("Installation Date"), but in no event more than 63 months from the date of purchase, the motor mount, propeller shaft, propeller, pump lid, flange, pump casing, stainless steel hardware, shaft coupler hubs, return nozzle, suction sump and grate shall be free from defects in materials and workmanship under normal use.

For **one (1) year** from the date of installation ("Installation Date"), but in no event more than 15 months from the date of purchase, the flange bearing, shaft seal, lower shaft bearing, and shaft coupler sleeve shall be free from defects in materials and workmanship under normal use.

Bearing failure due to external contaminants or abrasive contaminants present in pumped fluid will void pump bearings warranty.

The electric motor, variable frequency drive ("VFD"), and remote control are independently warranted by their respective manufacturers for varying lengths of time. Pipe and fittings supplied by Current Systems, Inc. are ASTM/ANSI compliant, but are not manufactured or warranted by Current Systems, Inc.

The Installation Date shall be the date that an electrician, licensed within the jurisdiction in which the Riverflow® Pump system is installed, receives authorization and instructions from a Current Systems, Inc. technician to apply power to the Riverflow® Pump system and program the VFD. *Failure to follow all the steps necessary to power up the Riverflow® Pump system, including submission of all required installation photographs, will void this warranty.*

The date of purchase shall be the date that the Riverflow® Pump system is purchased from Current Systems, Inc. either by the original consumer or the consumer's qualified and experienced contractor, as evidenced by a Current Systems, Inc. invoice.

Current Systems, Inc. will repair or replace, at its option, any product which has been found to defective and is within the warranty period, provided that the product is shipped, with previous factory authorization, freight prepaid, to the nearest Current Systems, Inc. authorized service center. Current Systems, Inc. is not responsible for the removal, installation, or any other incidental expense incurred in shipping the product to its authorized service center.

This warranty applies to products used in swimming pool, spa, and aquaculture applications only and does not apply to any product which has been subjected to negligence, alteration, accident, abuse, misuse, improper installation, vandalism, ordinary wear and tear, civil

disturbances, or acts of God (including but not limited to freeze damage, lightning strikes, and other damage caused by catastrophic events). Current Systems, Inc. does not warrant the Riverflow® Pump system to meet the requirements of any safety code of any state, municipality, or other jurisdiction. Purchaser assumes all risk and liability whatsoever resulting from the use thereof, whether used singly or in combination with other equipment.

Current Systems, Inc.'s liability under this warranty shall be solely limited to repair or replacement of the product within the warranty period. The only warranties authorized by Current Systems, Inc. are those set forth herein. Current Systems, Inc. does not authorize other persons to extend any warranties made in connection with the sale of its products. IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY AND THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE TIME-LIMITED TO THE EXPRESS WARRANTIES LISTED ABOVE. Some states and/or provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

To the fullest extent permitted by law, Current Systems, Inc. expressly disclaims any liability for, and the Limited Warranty does not include or cover, any labor, costs or other expenses in connection with the removal, transportation, shipment, insurance, replacement, repair, or installation of repaired or replaced parts or for any other incidental or consequential costs, expenses or damages to persons or property including, but not limited to, those arising in connection with the use of, or inability to use, the Riverflow® Pump system. Under no circumstances will Current Systems, Inc. be responsible for any expense in connection with any repairs made by anyone other than the manufacturer or its authorized service center, unless such repairs have been specifically authorized in writing. Some states and/or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

IF YOU BELIEVE A PART HAS FAILED UNDER THIS WARRANTY, YOU MUST OBTAIN A RETURN MERCHANDISE AUTHORIZATION ("RMA") BEFORE SHIPPING THE PART TO US. PARTS RETURNED WITHOUT AN RMA WILL BE REFUSED AND RETURNED, UNOPENED, TO THE SENDER. TO OBTAIN AN RMA, PLEASE CONTACT:

Current Systems, Inc.
